ANNUAL REPORT

2021-2022

Academic Year 2021-2022

There is always a podium laid for every individual to Dream! To Desire! To Determine! To Decide their Destiny" Learning is not the product of teaching. Learning is the product of the activity of learners" - John Holt...

E.S. Lords International School has been stepping from success to success all through the years since its humble beginning in 2018 and the past year has been no exception. We have done excellently in academics and non-academic areas. At this juncture, I wish to put on record my sincere gratitude to the management, staff, students and the PTA for your kind support and guidance.

Our Vision is “To provide a high quality digitalized education system, which will make students a better citizen for a sustainable future.

Our Mission is “To provide a safe, nurturing and a high end digitalized environment with a core curriculum that enables them to be multiethnic, multicultural and a responsible member of pluralistic society.

With great pleasure, I present in a nutshell the highlights of the past academic year 2021-22. We started the academic year with regular sessions from 31st March 2021 to 8th April 2021 to provide refreshing in the basics. After a short break we have started our academic session in online from 14th June 2021 with great support from ESSM Innovative Teaching Concepts which helps the teachers to conduct the online classes in a hassle free manner.

- Celebrating the special days to create awareness and importance among the children.

Four different clans

The **house system** is a traditional feature of schools in the United Kingdom. The practice has since spread to Commonwealth countries and the United States. The school is divided into subunits called "houses" and each student is allocated to one house at the moment of enrollment. Houses may compete with one another at sports and maybe in other ways, thus providing a focus for group loyalty.

In our school the houses are called as Clans and they are divided into four. They are namely,

Chera

Chola

Pandiya

Pallava

3. Extra – curricular activities

Extracurricular activities are an essential part of a child's development. They increase a child's self-confidence, help them learn how to be more social, and help them develop their talents. Many parents are concerned about the amount of time and money they spend on extracurricular activities. However, there is evidence that extracurricular activities can positively impact children's academic performance as well as their mental health and well-being.

E.S. Kalaikoodam provides opportunity for the children to take part in their favorite event. The various events organized as follows,

- Classical dance
- Chess
- Skating
- Drawing
- Karate

Events calendar for the academic year 2021-22
