

Annual report 2021-22

I am gratefully honoured and humbled to deliver the annual report of the year 2021-2022. We have the academic year with regular sessions from 31st march upto 8th april to provide the basic knowledge to the students, after a short break we have regained the academic session from 14th june through online. In the mids of pandemic situation we have managed to restart our new academic year 2021-2022 with the great support of essm innovative teaching concepts which initiate the teachers to conduct the online classes.

April month

Started the academic year with the activities.

- Planning for online classes.
- Preparation of teaching learning materials.
- Conducted saturday activities (whatsapp message)
- Saturday activities – self feeding (kg), paper craft, doll making with towels, greeting card, leaf craft, art using buttons)

May month

We started the academic year 2020-2021 with the well planned curriculum implementing both the macro and micro planners.

With the cooperation of parents, facilitators and all other stakeholders, we have successfully completed a year of online classes through essm innovative teaching concepts.

At lords, grade x students did overcome the covid -19 pandemic and attended the online classes with interest and fervour and showed 100% performance in the classes as well as the assessments .

We intensively focus on to clear the basics for all the competitive examination like neet, iit/jee, clat, sat, kvypc with the best subject experts with the strong teaching pedagogy for the learner's professional growth.

We have started the five year integrated program for grades (viii-xii) from the academic year 2021 -2022 onwards. The entire teaching & preparation takes place in the school and that too within the school timings. The results of the course have been very heartening and bear testimony to lords commitment to giving the best possible guidance and learning environment to its students both in board & competitive exams.

All classes are conducted by a team of highly experienced faculty who teach under the guidance of essm innovative teaching concepts.

July month

National achievement survey-2021 is scheduled on 12th november 2021. The Survey goes beyond the scorecard and includes the background variables to correlate student's performance in different learning outcomes vis-à-vis contextual variables. This national level survey conducted by cbse as assessment administrator for grade 3, 5, 8 and 10 students. The survey will be conducted in a monitored environment in the sampled schools. Sampling design for nas 2021 intends to support the predefined and agreed objectives of the national assessment: it intends to provide information of what india's students know and can do in key grades and subjects at national, state, district and school type.

- Teachers have registered for the nas – 2021.

- Celebrated the following days
 - National watermelon day
 - Independence day
 - National dog day
 - National radio day
 - World angel day
 - Womens equality day
- Celebrated independence day in school – flag hoisting, saluted the flag, national anthem.
- Celebrated national sports day on august 29, 2021 in virtual mode through cisco webex.
