February & March Journal

Secretary Vista

During the months of February and March, E.S. Lords Int. School conducted several meaningful events that enriched the school community. The celebrations began with Grandparents' Day, where Mont students honored their grandparents through vibrant performances and heartfelt expressions, fostering respect and emotional bonding. The school also successfully conducted the NABET Inspection, showcasing its commitment to maintaining high standards in academics, infrastructure, and overall institutional practices. Women's Day was observed with meaningful activities that emphasized the achievements, strength, and contributions of women in society. Graduation Day was celebrated with great pride and joy, marking an important milestone for students. The Parent-Teacher Meeting, held in the presence of the General Secretary, provided a valuable opportunity for constructive discussions on students' academic progress and overall development. Grade IX students enjoyed an educational tour to Munnar, making the months both productive and memorable. Overall, these months were filled with enriching experiences, reflecting the school's dedication to excellence and all-round development.

GRANDPARENT'S DAY

The Montessori students of E.S. Lords International School celebrated Grandparents' Day with great joy and enthusiasm, creating a heartwarming and memorable experience for everyone present. The young learners welcomed their grandparents with cheerful smiles, handmade cards, and thoughtful gestures that expressed their love and gratitude.

The celebration included delightful performances such as songs, dances, and small skits, where the children showcased their talents with confidence and excitement. Special activities and interactive games were also organized, allowing grandparents and grandchildren to bond and enjoy quality time together. The event beautifully highlighted the importance of family values, respect for elders, and the strong emotional connection between generations, making it a truly meaningful and cherished occasion for all.

NABET INSPECTION

The NABET inspection at E.S Lords School was conducted with great diligence to assess the institution's adherence to quality standards in education and school management. The inspection was carried out by the National Accreditation Board for Education and Training (NABET), which evaluates schools based on various parameters to ensure excellence in academic and administrative practices.

During the inspection, the evaluators closely reviewed the school's infrastructure, safety measures, teaching methodologies, and overall learning environment. They visited classrooms to observe teaching practices, student engagement, and the use of innovative learning techniques. The inspection team also examined important records, including lesson plans, student assessments, and academic progress reports.

Special attention was given to safety protocols, hygiene standards, and the implementation of policies related to child protection and well-being. The management, teachers, and students actively participated in the process, showcasing the school's commitment to maintaining high standards of education. The inspectors also interacted with students and staff to understand the school culture and overall functioning.

The school management presented its vision, mission, and continuous improvement strategies, highlighting various initiatives taken to enhance the quality of education. The inspection concluded on a positive note, reflecting the dedication of E.S Lords School towards providing a safe, inclusive, and academically strong environment.

Overall, the NABET inspection was a significant milestone for the school, reinforcing its commitment to excellence and continuous development in all aspects of education.

WOMEN'S DAY

We celebrated International Women's Day with great enthusiasm and respect, honoring the strength, achievements, and contributions of women in society. The celebration began with a special assembly where students presented inspiring speeches about the importance of women's empowerment and gender equality. Cultural performances such as dance, songs, and skits highlighted the role of women in shaping families, communities, and the nation. Students also shared stories of inspiring women leaders, motivating everyone to follow their dreams with confidence.

The school took this opportunity to appreciate the dedication and hard work of its female staff members. Fun activities, games, and interactive sessions were organized to make the day joyful and memorable. Teachers and students expressed their gratitude towards mothers, teachers, and all women who play an important role in their lives. The celebration not only spread awareness but also encouraged students to respect and support women, making it a meaningful and impactful event for everyone involved.

GRADUATION DAY

We celebrated the Montessori Graduation Day with great pride and joy, marking a significant milestone in the lives of its young learners. The event was filled with excitement as the little graduates, dressed in adorable caps and gowns, walked confidently onto the stage, creating a heartwarming atmosphere for parents and teachers.

The celebration began with a welcome address, followed by a series of delightful cultural performances by the Montessori students, including dances, rhymes, and short skits that showcased their talents and confidence. The highlight of the event was the graduation ceremony, where each child was honored with a certificate, symbolizing their successful completion of the Montessori level and their readiness to step into primary schooling.

Teachers shared a few words about the children's growth, learning journey, and memorable moments in the classroom. Parents were filled with pride and joy as they witnessed their children achieving this important milestone. The event concluded with a vote of thanks, expressing gratitude to the management, teachers, and parents for their continuous support. The Montessori Graduation Day was truly a memorable and emotional celebration, celebrating the bright future of the young graduates.

PTA MEETING

The Parent-Teacher Meeting with the management at E.S Lords Int. School was conducted successfully to discuss the academic progress and overall development of the students. The meeting provided a valuable platform for parents, teachers, and the school management to interact openly and share insights regarding students' performance in academics, behavior, and participation in co-curricular activities.

During the session, subject teachers presented detailed reports on each student's strengths and areas that require improvement. The management actively engaged with parents, addressing their concerns and offering guidance on how to support children's learning at home. Special emphasis was given to maintaining regular study habits, improving communication skills, and encouraging active participation in classroom activities.

The meeting also highlighted the school's academic plans, teaching methodologies, and upcoming assessments. Parents appreciated the efforts taken by the school to ensure quality education and individual attention to students.

Overall, the meeting strengthened the partnership between the school and parents, fostering a collaborative approach towards the holistic development and academic success of the students.

GRADE IX TOUR

The Grade IX and Grade XI students of E.S Lords Int. School had an enriching and memorable educational visit to Munnar, one of the most beautiful hill stations in Kerala. The trip was organized with the aim of providing experiential learning beyond the classroom while allowing students to explore nature and understand environmental concepts.

During the visit, students explored the lush green tea plantations, where they learned about tea cultivation, processing methods, and the importance of sustainable farming. They also visited popular attractions such as Eravikulam National Park, where they observed the rich biodiversity and learned about wildlife conservation, including the endangered Nilgiri Tahr. The visit to Mattupetty Dam gave students insights into water resource management and hydroelectric power generation.

The cool climate and scenic landscapes provided a refreshing experience, while teachers guided the students with informative sessions related to geography, ecology, and environmental awareness. The trip also helped students develop teamwork, independence, and social bonding as they shared experiences with their peers.

Overall, the educational visit to Munnar was a perfect blend of learning and enjoyment. It left the students with unforgettable memories and enhanced their knowledge through real-life experiences, making it a truly valuable and inspiring journey.

MATHEMATICS ACTIVITY – GRADE VI

The Grade VI-A1 students enthusiastically participated in a hands-on mathematics activity designed to make learning more engaging and practical. The activity focused on key concepts such as fractions, geometry, and basic algebra through interactive methods.

Students were divided into small groups and given tasks like creating fraction models using paper cut-outs, measuring classroom objects to understand perimeter and area, and solving fun puzzles related to numbers. They also used everyday materials such as rulers, charts, and colored papers to visualize mathematical concepts more clearly.

Another engaging segment included constructing basic geometric shapes and identifying their properties.

The activity helped students improve their problem-solving skills, logical thinking, and collaboration. It also boosted their confidence and made mathematics enjoyable and less intimidating. Overall, it was a fun-filled and educational experience that enhanced their understanding of concepts through practical learning.
