At E.S. Lords International School, we have stepped into the next level of education through the integration of advanced technology. Our classrooms are equipped with the latest digital tools and resources, enabling interactive and immersive learning experiences. This approach not only prepares our students for the future but also empowers them to become leaders in a technologically driven world. Join us in embracing the future of education through technology and witness the transformation in learning and growth. At E.S. Lords International School, our Integrated Courses program offers a transformative educational experience that merges traditional learning with innovative teaching methods. Our curriculum is designed to cultivate critical thinking, creativity, and collaboration.

Highlights of our program include collaborative group discussions to enhance communication and teamwork skills, role-play activities to foster empathy and deepen understanding of scientific concepts, and real-world case studies where students apply math and science principles to solve practical challenges. We offer seminars for future leaders to engage students in research and discussion, interactive quizzes to keep minds sharp, and hands-on lab activities to bring scientific theory to life. Additionally, artistic concept drawing allows students to visualize scientific ideas creatively. Join our Integrated Courses program for a journey of discovery and growth, preparing students for a world of scientific possibilities.

# Investiture Ceremony

*Ladies and gentlemen, witness the emergence of leadership stars at E.S. Lords International School! The investiture ceremony on*

*June 29, 2024, was a spectacular event, igniting the flames of leadership in our young prodigies! As the ceremony began, the hall illuminated with hope, symbolizing the journey toward wisdom and divinity.*

*With the power to vote in their hands, our students selected their champions for the Student Council 2024-25. The elected leaders were honored by our esteemed Chief Guest, Mrs. R. JAYAKUMARI District Sports and Youth Welfare Officer, Villupuram.*

*With great pride, our sports captain administered the oath of allegiance, pledging to serve the school with sincerity and passion. The newly elected Student Council members were adorned with badges and sashes, symbolizing their new roles of responsibility and empowerment. The Chief Guest's words of wisdom inspired everyone to embrace sports, nurturing both minds and bodies. Together, we embark on a year of greatness, guided by our brilliant Student Council!*

# CLUB INAUGURATION

*The lively corridors of E.S. Lord's International School buzzed with excitement on a beautiful day in June 2024, as students from grades VI to XII gathered for an extraordinary event—the grand inauguration of our amazing clubs!*

*Unleash Your Talent Power! The magnificent inauguration of our clubs for the 2024-2025 academic session took place on June 29, 2024! With a divine invocation, the principal unveiled the scroll, setting the stage for an energetic and passionate atmosphere.*

*Our clubs, spanning Tamil, English, Math, Science, Social Studies, Health, Sports, Humanity, and Art, are not just for show—they are powerful boosters of hidden talents! Joining a club means adapting, forming lifelong habits, and igniting a fiery voluntaristic spirit! Club activities provide the perfect platform for our students to showcase and flaunt their unique gifts! So, come one, come all, and dive into a world of talent, fun, and growth!*

*We witnessed the birth of new leaders as the Presidents and Vice Presidents were elected from the prestigious grades IX and XI, with our dedicated teachers and students cheering them on. It was a fun-filled spectacle that marked the beginning of an adventure full of exploration, creativity, and limitless possibilities!*

# GREEN DAY

*The Montessori block at E.S. Lord's International School celebrated Green Day with immense enthusiasm and joy. The young students arrived dressed in vibrant shades of green, transforming the school into a lush garden of excitement. The day commenced with a special assembly where children learned about the importance of nature and environmental conservation through engaging stories and songs. Classrooms were decorated with green balloons, plants, and eco-friendly crafts made by the students themselves. Various activities, including planting saplings, creating leaf art, and participating in nature walks, allowed the children to connect with the environment and understand the significance of preserving it. Green Day was not just an event; it was a delightful journey that instilled in our young minds the values of sustainability and love for nature.*

## காமராஜர் பிறந்தநாள்

*Kamarajar's birthday celebration is a significant event marked with reverence and enthusiasm, particularly in Tamil Nadu. Born on July 15, 1903, K. Kamaraj, fondly known as the "Kingmaker," is remembered for his pivotal role in Indian politics and his contributions to the nation's development, especially in the field of education.*

*The celebrations often include floral tributes at his statues and portraits, speeches highlighting his achievements and values, and community activities such as blood donation camps and educational programs for underprivileged children. Schools and colleges organize special assemblies and essay competitions to honor his legacy and inspire students to follow his example of simplicity, integrity, and dedication to public service. The day serves as a reminder of Kamarajar's vision of a prosperous and educated society.*

# HUMANITY CLUB EVENT

*The Humanity Club at E.S. Lord's International School recently celebrated its event with great zeal and compassion. The celebration kicked off with an inspiring keynote address by a local humanitarian, who shared insights on the importance of empathy and social responsibility. The day was filled with various activities aimed at fostering a sense of community and kindness among students. These included a charity drive where students collected essential items for a local shelter, interactive workshops on effective volunteering, and a heartfelt session where students shared personal stories of kindness and community service. The highlight of the event was a collaborative mural created by students, symbolizing unity and the power of collective action. Through these activities, the Humanity Club celebration not only highlighted the significance of giving back but also empowered students to make a positive impact in their communities. The event concluded with a pledge by all attendees to continue spreading kindness and working towards a more compassionate world.*

# **INTERNATIONAL CHESS DAY CELEBRATION**

***E.S. Lord's International School celebrated International Chess Day with enthusiasm and intellectual vigor. The event commenced with an enlightening talk by a renowned chess grandmaster, who shared insights into the strategic depth and mental discipline that the game fosters. Students from various grades participated in a series of chess tournaments, showcasing their analytical skills and competitive spirit. Classrooms were adorned with chess-themed decorations, and educational sessions were held to teach beginners the basics of the game. The highlight of the celebration was a simultaneous exhibition match, where the grandmaster played against multiple students, inspiring awe and admiration. The day concluded with an award ceremony recognizing the outstanding players and encouraging all participants to continue honing their chess skills. The International Chess Day celebration not only promoted the game of chess but also highlighted its benefits in enhancing cognitive abilities and strategic thinking among students.***

# ***CLUB ACTIVITES***

# MONT ACTIVITIES

*Montessori block coloring activities using vegetables offer a creative and sensory-rich approach to learning. In this engaging activity, children use various vegetables to imprint patterns and colors onto blocks or paper. For example, cut potatoes, bell peppers, or carrots can serve as stamps, allowing kids to explore different shapes and textures. As they dip these vegetable stamps in paint and press them onto the blocks, children not only discover the unique prints each vegetable produces but also develop fine motor skills and an understanding of color mixing. This hands-on experience fosters a deeper appreciation for both art and nature, encouraging curiosity and creativity in a playful and educational manner.*

# **THE RISE OF ARTIFICIAL INTELLIGENCE (AI) IN HEALTHCARE**

*The rise of artificial intelligence (AI) in healthcare is transforming the industry in several ways ...*

- Diagnosis and screening: AI can help doctors diagnose diseases more accurately and quickly.*
- Drug development and research: AI can strengthen research and development of new drugs.*
- Public health interventions: AI can support diverse public health interventions, such as disease surveillance and outbreak response.*
- Personalized healthcare: AI can help personalize treatment plans for patients.*
- Healthcare analytics: AI algorithms can help optimize health outcomes and improve decision-making.*
- Interpret tests: AI models can interpret common medical scans to diagnose diseases.*
- Precision medicine: AI can help create personalized treatment plans for patients.*
- Predict diseases: AI can help predict the likelihood of a patient developing a particular condition or disease.*
- Healthcare workforce: AI can help automate tasks and free up healthcare workers to focus on more important tasks.*
- Accessibility: AI can help bridge the gap in access to health-care workers or medical professionals in resource-poor countries and rural communities.*
