I feel proud to reflect on the remarkable events we've hosted this year.

The Investiture Ceremony inspired leadership, while the Club Inauguration encouraged students to explore their talents. We celebrated National Doctor's Day with heartfelt tributes to medical professionals and took the Swachhta Pakhwada pledge to promote cleanliness. We honoured the legacy of Karmaveerar Kamarajar with respect and pride. The Tamil Nadu Police Awareness Program empowered students with knowledge on drug abuse prevention, road safety, cyber security, and women and child safety. Each event has been a step towards growth, awareness, and responsibility.

# Investiture Ceremony

Celebrating the Emergence of Young Leaders at E.S. Lords International School

The Investiture Ceremony held on June 28, 2025, was a grand occasion that celebrated the awakening of leadership among our students. The event began in a hall glowing with hope and anticipation, symbolizing a journey toward learning, growth, and purposeful leadership.

Entrusted with the power of choice, our students cast their votes and elected the Student Council for the academic year 2025–26. The newly elected council members were honored by our distinguished Chief Guest, Mr. Selvanayagam, Inspector of Police, Villupuram in a moment of immense pride.

Amidst applause and admiration, the Sports Captain led the oath-taking ceremony, where the student leaders solemnly pledged to serve the school community with integrity, commitment, and enthusiasm. Donning their sashes and badges, each member stepped into their role, ready to shoulder the responsibilities entrusted to them.

The Chief Guest shared an encouraging message, urging students to value sports as a vital part of education, promoting not only physical strength but also mental resilience.

With the strength of our new Student Council, we now step into a new academic year—driven by a shared vision, empowered leadership, and a spirit of excellence.

# Club Inauguration

The vibrant halls of E.S. Lord's International School came alive with excitement on a delightful June day in 2025, as students from Grades VI to XII gathered for a landmark event—the grand inauguration of our school clubs for the academic year 2025–2026!

With the inspiring theme \**“Unleash Your Talent Power!”*\*, the ceremony began on June 28 with a solemn invocation. The principal officially launched the event by unveiling the club scroll, setting the tone for an atmosphere filled with enthusiasm and anticipation.

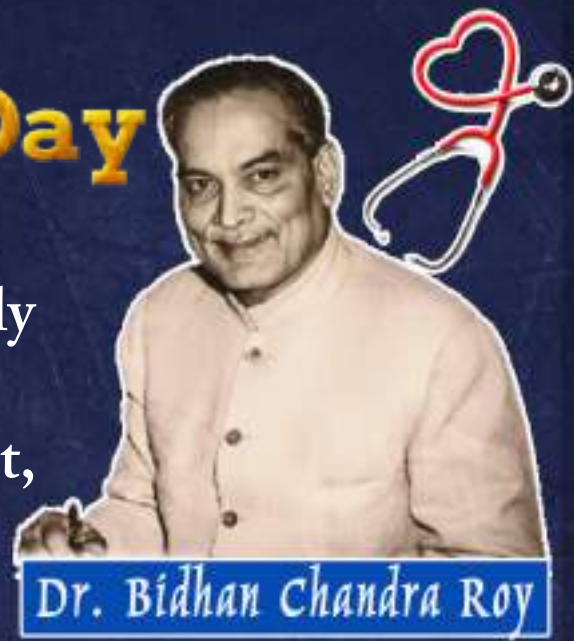

Our wide range of clubs—Tamil, English, Math, Science, Social Studies, Health, Sports, Humanity, and Art—are more than just extracurricular activities. They are vibrant hubs where students discover their hidden talents, build character, and cultivate lifelong skills. By joining a club, students embrace teamwork, creativity, and a spirit of voluntary leadership.

The event also saw the election of Club Presidents and Vice Presidents from Grades IX and XI, marking the rise of new student leaders. Cheered on by peers and teachers alike, their induction symbolized the start of a thrilling journey of exploration, innovation, and personal growth.

# National Doctor's Day

Dr. Bidhan Chandra Roy

E.S. Lords International School proudly celebrated National Doctor's Day with great enthusiasm and respect on July 1st, honouring the invaluable contribution of doctors to society. The event began with a special assembly where students delivered informative and inspiring speeches highlighting the roles and responsibilities of different medical specialists such as pediatricians, cardiologists, neurologists, dentists, surgeons, and general physicians. Each speech emphasized the dedication, compassion, and tireless efforts doctors make in saving lives and promoting public health. The celebration not only deepened the students' understanding of the medical profession but also instilled a sense of gratitude and admiration for these everyday heroes.

# Green Day Celebration

Green Day was celebrated with great zeal and delight by the Montessori block of E.S. Lord's International School. The little learners arrived in vibrant green attire, turning the campus into a lively and refreshing green haven. The day began with a special assembly, where children were introduced to the importance of nature and environmental protection through engaging stories, songs, and discussions. Classrooms were beautifully adorned with green balloons, plants, and creative, eco-friendly crafts made by the students. A variety of hands-on activities such as sapling planting, leaf art, and nature walks gave the children a chance to bond with the environment and appreciate its value. More than just a celebration, Green Day served as an enriching experience that sowed the seeds of environmental awareness and a deep-rooted love for nature in the hearts of our young learners.

# Swachhhta Pakhwada

As part of the Swachhhta Pakhwada initiative, a meaningful pledge-taking ceremony and an inspiring elocution competition were organized at E.S. Lord's International School by Indian Oil Corporation. The event aimed to spread awareness about cleanliness, hygiene, and civic responsibility among students.

Following the pledge, students participated in an elocution competition on topics related to cleanliness and environmental responsibility. Participants spoke passionately, showcasing their awareness, oratory skills, and sense of social responsibility. Their words reflected the importance of adopting sustainable habits and contributing to the nation's cleanliness mission.

The event concluded on a high note with Indian Oil Corporation honouring the winner of the elocution competition with a special gift, recognizing their outstanding performance and dedication. The initiative not only encouraged students to be active contributors to a cleaner society but also served as a platform to nurture confident and responsible young citizens.

# TN POLICE AWARENESS PROGRAM

The Tamilnadu Police organized a comprehensive awareness program aimed at educating students and the community on vital social issues. The initiative featured engaging competitions and an informative exhibition held at the Villupuram Collectorate Ground. As part of the program, students participated enthusiastically in a drawing competition and a speech competition, focusing on key themes such as road safety, women and child safety, the dangers of drug abuse, and cyber crime awareness. These activities provided a platform for students to express their understanding and thoughts creatively and confidently. The event culminated with an impressive Awareness Gallery, where the student's drawings and model displays were showcased. Held at the Villupuram Collectorate Ground, the gallery drew attention from officials and the public alike, spreading valuable messages through visual storytelling and innovation. This initiative by the Tamilnadu Police not only raised awareness on critical safety issues but also empowered young minds to be vigilant, responsible, and socially aware citizens.
