JOURNALORDS

June Journal

Secretary Vista

The new academic session at E.S. Lords has commenced with renewed enthusiasm and a strong focus on academic excellence. As a key initiative this year, the school has introduced the Daily Morning Test (DMT) for students from Grade 1 to 12, aiming to enhance their study habits and reinforce daily learning. This structured practice not only helps students revise their lessons regularly but also builds their confidence and time management skills. Through DMT, E.S. Lords continues its commitment to nurturing disciplined, well-prepared, and academically strong students.

Back to School

The reopening day at E.S LORDS was filled with warmth, excitement, and joyful reunions as the school welcomed back its beloved students. The campus came alive with cheerful smiles and vibrant energy as teachers and staff greeted each child with heartfelt enthusiasm. The corridors echoed with laughter and chatter, creating a festive atmosphere that set the tone for a fresh academic beginning. Beautifully decorated entrances and welcome banners added to the charm, making the students feel special and cherished. With renewed spirit and enthusiasm, the E.S LORDS family stepped into a new chapter of learning and growth together.

WORLD ENVIRONMENT DAY

The World Environment Day

celebration at E.S LORDS created a meaningful and lasting awareness among the students about the importance of protecting our planet. The event inspired young minds to take responsibility for the environment through engaging activities and thought-provoking messages. As a symbol of their commitment, students generously donated plant saplings to the school campus, contributing to a greener and healthier environment. This heartfelt gesture not only enhanced the beauty of the surroundings but also instilled a deep sense of environmental stewardship in the hearts of every student.

Students Council Election

The election journey begins with the nomination phase, where aspiring candidates submit their names for consideration. Once nominations are finalized and approved, the campaign period commences—an energetic time filled with speeches, posters, and efforts to gain support from fellow students. The election is conducted in a fair and transparent manner, ensuring every vote counts.

The school pupil leader election is a significant event in the academic calendar, offering students a meaningful opportunity to engage in democratic practices, build leadership qualities, and actively contribute to their school environment. This process not only empowers young individuals but also nurtures a spirit of responsibility, collaboration, and community involvement.

After the votes are tallied, the results are declared during a special assembly or event. The newly elected school pupil leader is introduced to the student body and usually delivers a short acceptance speech, expressing their gratitude and vision.

Overall, the pupil leader election serves as a valuable learning experience. It teaches students about democratic values, leadership roles, and active citizenship. By participating, they gain insight into making thoughtful decisions and supporting the collective good of their school community.

INTERNATIONAL YOGA DAY

Mahayogam, in collaboration with E.S Group of Schools, conducted a grand Yoga Rally on the occasion of International Yoga Day. The rally began at the Villupuram Collectorate and concluded at the E.S Lords Campus, with enthusiastic participation from students, staff and the public. The event was inaugurated by our esteemed District Collector Mr. Sheik Abdul Rahaman, whose presence added great significance to the occasion. Following the rally, a Mega Yoga Session was held to promote the importance of yoga for physical and mental well-being, spreading awareness about leading a healthy and balanced lifestyle.
