## SECRETARY VISTA

**SMT. PRIYA SELVAMANI**  
(GENERAL SECRETARY)

Warm Greetings to all our Journalords readers. Formal education occurs in a structured environment whose explicit purpose is teaching students. Usually, formal education takes place in a school environment with classrooms of multiple students learning together with a trained, certified teacher of the subject. It can be subdivided into various categories or levels. The International Standard Classifications of Education ISCED was created by UNESCO as a statistical base to compare education system. Education designed to support early development in preparation for participation in school and society.

In most contemporary educational system of the world, secondary education comprises the formal education that occurs during adolescence.

Education is the medium that gives us the skill, techniques, information & knowledge to know, understand & respect the duties we have towards our society, families and the nation. Therefore, the magnitude of the importance of education in life is huge as well as multifold. The importance of education in life is that it helps everyone develop a good perspective of looking at the world and our society. Education helps us in getting new ideas & exploring new ideas.

# *Ganapathy Homam*

In a solemn ceremony filled with reverence and devotion, the auspicious Ganapathy Homam was performed for the Mont Block at our esteemed school. This sacred ritual was conducted to infuse the block with positive energy and seek the blessings of the divine.

Led by the esteemed founder chairman sir, Chairman sir and Secretary madam, along with the management, teaching, and non-teaching staff, the ceremony was a symbol of unity and collective prayer. As the sacred fire flickered and the chants resonated through the air, a sense of spirituality enveloped the entire gathering.

The Ganapathy Homam served as a powerful invocation, invoking the blessings of Lord Ganesha, the remover of obstacles and the harbinger of success. With each offering, our intentions were infused into the flames, paving the way for a harmonious and fruitful academic year ahead.

As the divine presence embraced the Mont Block, it became a sanctuary of positive vibrations, inspiring both students and educators alike. May the blessings received during this sacred ceremony guide us all towards a future filled with knowledge, growth, and success. The Ganapathy Homam for the Mont Block was a poignant reminder of the collective effort and unwavering commitment of our school community towards fostering an environment of learning and spiritual well-being. It demonstrates our commitment to nurturing our pupils' hearts and minds, assuring their success.

# MONTESSORI INAUGURATION

*Welcome to a World of Wonder: Introducing Our New Block for Montessori and Pre-Montessori Children!*

*Step into a world filled with excitement and boundless curiosity as we open the doors to our newly constructed block! We are thrilled to welcome Montessori and Pre-Montessori children to embark on a journey of exploration and joyful learning.*

*In our school, ES Lords International CBSE School (Villupuram), we have always cherished the well-being and academic growth of our little ones. With our block, we aim to create a virtual haven where imaginations soar and young minds thrive.*

*Join us as we ignite the love for learning in the hearts of our Montessori and Pre-Montessori students. Through captivating stories, interactive activities, and engaging adventures, we'll nurture their innate curiosity and inspire them to discover the wonders of the world.*

*Our block is a treasure trove of educational delights, carefully designed to spark creativity, promote critical thinking, and cultivate a sense of community. From exploring nature's marvels to unraveling the mysteries of numbers and letters, our little learners will find a wealth of captivating content to dive into. As we unveil this exciting digital realm, we invite our Montessori and Pre-Montessori children to embark on a transformative journey of growth and discovery. Together, we'll unlock the treasures of knowledge and build a strong foundation for a bright future.*

*So, come and join us on this enchanting adventure! Let's paint vibrant dreams, dance with words, and embark on a joyous exploration of learning that will shape their early years and set the stage for a lifetime of success. Welcome to our captivating block, where imagination knows no bounds and the magic of education comes alive!*

# Think Intellect

## Think logically:

**All pupils and parents, kindly pay attention!**

**It's time to get ready for the updated CBSE curriculum with our recently launched Think Intellect programme. We think that learning is an ongoing process, and since the academic landscape is constantly changing,**

**It is critical that we offer our children with the tools they require to stay on top of things. The goal of Think Intellect is to give our students a comprehensive education that goes beyond textbooks and exams. In order to prepare our young brains for the challenges of the twenty-first century, our expert faculty will advise and mentor them as they develop critical thinking problem-solving, and decision-making abilities. Join us on this exciting journey of academic success and growth, and together let's prepare our kids to be tomorrow's leaders.**

Theme for 2023 - Yoga for Vasudhaiva Kutumbkam

**The theme for International Yoga Day 2023, "Yoga for Vasudhaiva Kutumbakam" or "Yoga for the Welfare of All as One World-One Family," emphasizes the unifying power of yoga. Prime Minister Narendra Modi, during the 102nd episode of 'Mann ki Baat,' announced this theme, highlighting yoga's ability to connect people from all walks of life and foster a sense of global unity. Yoga transcends boundaries, cultures, and religions, promoting harmony, compassion, and understanding among individuals worldwide. By embracing yoga, we recognize our shared humanity and work towards the well-being and welfare of all, envisioning a world where we live as one global family.**

# E. S LORDS INTERNATIONAL SCHOOL, VILLUPURAM

AFFILIATED TO CBSE 1930960 - SENIOR SECONDARY SCHOOL

On June 21, ESLIS International School celebrated International Yoga Day with a large event attended by staff and students. Our brilliant kids demonstrated their expertise in various yoga asanas, filling the school hall with great energy. The programme, led by our Physical Education director, Mr. Silambarasan, emphasised the value of yoga and physical activity in daily life. Our pupils demonstrated grace and flexibility in a variety of postures, from exciting standing poses to soothing reclining postures. The event demonstrated our commitment to overall well-being, fostering relaxation and immune system boosting through the power of yoga.

## SATURDAY ACTIVITIES

## Unleashing Creativity on No Books Day

*The much-awaited day had arrived - Saturday, the day of fun and creativity at school! Saturday was a special day called "No Books Day" where students leave their textbooks behind and embark on a journey of imagination and self-expression.*

*For the older students in classes VI to VIII, it's a day of honing their skills. They partook in a handwriting competition, showcasing their elegant penmanship in English and Tamil. Additionally, they channelled their inner artists in a drawing competition.*

*As the day came to a close, students left with a sense of fulfillment and pride in their creative accomplishments. No Books Day, has not only allowed them to explore their artistic talents but has also fostered a spirit of camaraderie and healthy competition among peers.*

*Students in grades I, II, and III created colourful greeting cards for Father's Day, demonstrating their love through their sincere efforts. Meanwhile, the fourth graders developed their origami skills, which entails folding delicate paper into artistic shapes.*

*Saturday Activities serve as a reminder that education goes beyond textbooks. It encourages students to think beyond the conventional and embrace their innate creativity. These moments of self-expression are invaluable, nurturing young minds to become well-rounded individuals capable of thinking outside the box.*

*So, let's celebrate No Books Day, where imagination takes flight, and creativity knows no bounds!*

# English Handwriting Competition Winners

# Super singer

On May 4, our school was the site of a remarkable occasion: the national reality singing competition Super Singer Junior's auditions. The attendance exceeded all expectations, with nearly 200 aspiring vocalists showing up to display their talent.

The auditions commenced at 9 am and continued until 6 pm, drawing participants from nearby districts as well as from as far as Madurai. Each contestant brought forth their unique style and voice, captivating the judges who had the challenging task of evaluating one incredible performance after another. From soulful ballads to energetic pop hits, the displayed talent was truly exceptional.

As the day progressed, the air became electric with excitement and energy. Contestants wholeheartedly cheered each other on, sharing tips and tricks, while their families and friends provided enthusiastic support from the sidelines. The passion and dedication exhibited by these aspiring singers were undeniably inspiring, as it was evident that every participant was determined to give their best.

We at ES Lords International School take immense pride in hosting auditions for Super Singer junior in our campus. It was a splendid opportunity for our students and the wider community to come together and celebrate the power of music.

The Super Singer auditions in our ES Lords International School campus was an overwhelming success, leaving us eager to witness the upcoming stages of this competition. We wish all of the amazing contestants who participated the best of luck and hope that your dreams of becoming singing sensations come true.

# Certificate of excellence to our teacher

**Mrs. Yvon Stella**

We are pleased to inform that Wizklub - Infinity Learn has awarded a Certificate of Excellence to our teacher Yvon Stella for her outstanding achievements. Her effort and planning ensured that our kids actively participated in the coveted International HOTS Olympiad. This honour demonstrates our dedication to offering high-quality education and enabling our pupils to excel in difficult academic competitions. Congratulations to our Teacher for her great performance!

# Discovering Your Child's Unique Learning Style

Understanding how your child learns best is key to enhancing their educational experience. It allows you to personalize their education and support their academic development. In our school, we recognize the importance of recognizing individual learning preferences. By identifying your child's learning style, we can create an environment that caters to their needs and helps them thrive academically.

## Visual Learners:

Some children grasp information better through visual aids. To support these learners, we utilize charts, diagrams, and videos that present information in a visually engaging manner. These tools enhance their comprehension and make learning more effective.

## Auditory Learners:

For children who learn best through listening and verbalizing, we incorporate interactive discussions, audio recordings, and clear verbal instructions. These techniques engage auditory learners and optimize their learning process.

## Kinesthetic Learners:

We understand that some children thrive through hands-on experiences. To cater to kinesthetic learners, we provide activities, experiments, and practical exercises. By engaging them physically, we help them absorb knowledge more effectively.

## Multimodal Learners:

Some children exhibit characteristics of multiple learning styles. Therefore, we adopt a multimodal approach that combines visual, auditory, and kinesthetic elements. This approach ensures that all students receive a comprehensive and inclusive education that suits their unique needs.

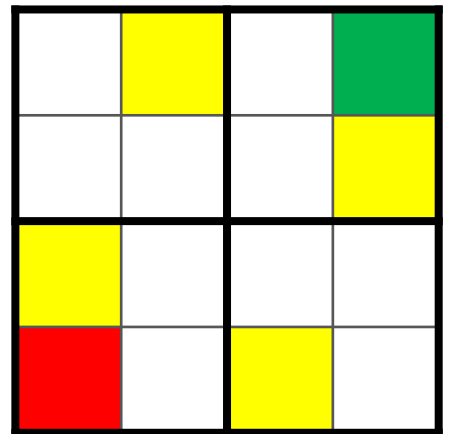

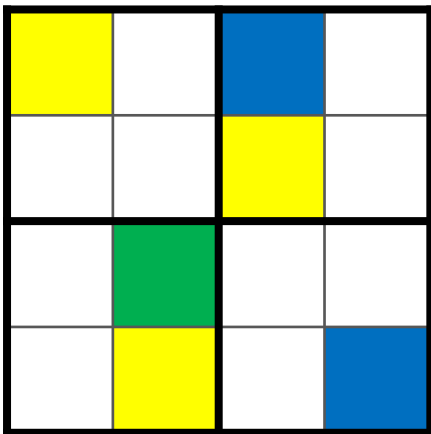

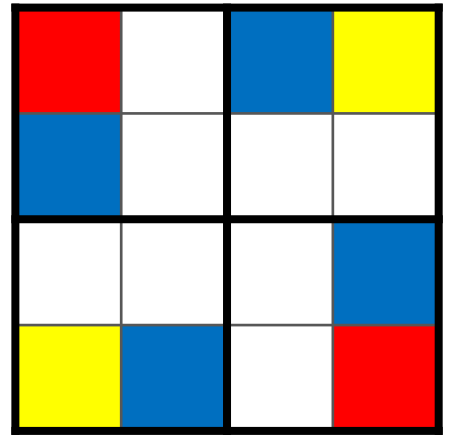

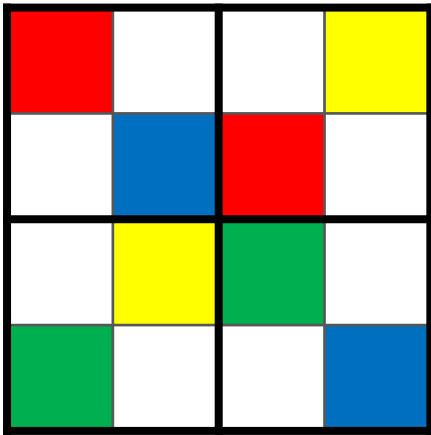

## Conclusion:

we believe in the importance of identifying your child's unique learning style. By tailoring our teaching methods to cater to visual, auditory, kinesthetic, and multimodal learners, we aim to provide a well-rounded education that maximizes every student's potential.

# Sudoku Kids

Fill in the grids so that each column, row, and box contains each of the four different colors: red, green, blue, and yellow.
