November Journal

Secretary Vista

During the month of November, E.S. Lords School organized a variety of engaging and educational activities for students. The school hosted an exhibition showcasing students' creativity and learning, followed by a vibrant fancy dress competition that encouraged self-expression. Students also participated enthusiastically in a fireless cooking competition, demonstrating their culinary skills and teamwork. The month included a lively dance competition that highlighted their talent and confidence. The celebrations concluded with a joyful Children's Day program, making the month both memorable and enriching for all students. The programs not only encouraged creativity and participation but also helped students build confidence and teamwork.

SCIENTICAZ FUSION

Scienticaz Fusion at E.S. Lords School was a vibrant and innovative event designed to spark curiosity and promote scientific thinking among students. The program brought together a variety of science, maths, computer-based activities, experiments, and creative presentations that encouraged students to explore, discover, and learn beyond the classroom.

The event featured interactive science models, live demonstrations, and hands-on experiments that allowed students to understand complex concepts in a fun and engaging manner. Different grades participated by showcasing projects on topics such as renewable energy, space science, robotics, environmental conservation, and simple physics experiments.

Teachers guided the students throughout the preparation, helping them develop their ideas, conduct research, and present their findings confidently. Parents and visitors were invited to view the exhibits, making the program more meaningful and collaborative.

Scienticaz Fusion not only enhanced students' scientific knowledge but also improved their skills in teamwork, creativity, communication, and critical thinking. The event successfully cultivated a love for science and motivated students to explore new ideas with enthusiasm.

FANCY DRESS COMPETITION

The Fancy Dress Competition for Grades 1 to 5 at E.S. Lords International School was a lively and delightful event that showcased the imagination and confidence of young learners. Students came dressed as national leaders, community helpers, fairytale characters, animals, environmental symbols, and creative themes that highlighted important messages. The tiny participants from lower grades charmed the audience with their innocence and enthusiasm, while the older children displayed impressive confidence and expressive dialogue to present their characters. Each costume was uniquely styled, reflecting the hard work of parents and the guidance of teachers. The stage was filled with excitement as children introduced themselves and delivered short lines, making the audience cheer with joy.

The Judges evaluated them based on creativity, presentation, relevance to the theme, and overall performance. The event not only provided a fun and colorful experience but also helped students build public-speaking skills, self-expression, and stage confidence. The Fancy Dress Competition truly created a memorable and enriching moment for the young students of E.S. Lords International School.

COOKERY COMPETITION

The Fireless Cooking Competition for Grades 6 to 9 at E.S. Lords International School was an exciting and skill-building event that encouraged students to explore creativity in the kitchen without using fire. Participants enthusiastically prepared a variety of dishes such as salads, sandwiches, mocktails, chaats, desserts, energy bites, and healthy snacks. Each team displayed excellent teamwork, planning, and presentation skills as they arranged their ingredients, followed hygienic methods, and decorated their dishes with great care. Students confidently explained the nutritional value, preparation steps, and uniqueness of their recipes to the judges.

The event not only highlighted their talent in culinary art but also promoted healthy eating habits and safety in cooking. The judges evaluated the dishes based on creativity, taste, innovation, health factor, and overall presentation. The atmosphere was filled with excitement as students showcased their imagination through beautifully presented plates. The Fireless Cooking Competition successfully encouraged practical learning, confidence, and teamwork among the students of Grades 6 to 9 at E.S. Lords International School.

DANCE COMPETITION

The Dance Competition for Grades VI to VIII at E.S Lords International School is an exciting platform designed to bring out the artistic talent, confidence, and creativity in our young learners. This event provides students an opportunity to showcase their passion for dance through a variety of styles including classical, folk, western, contemporary, and freestyle. Weeks of practice, discipline, teamwork, and dedication come alive on stage as each performer delivers their best with energy and grace. Beyond competition, the program aims to nurture self-expression, boost stage presence, and instill a sense of achievement in every participant. The vibrant costumes, lively music, and enthusiastic audience together create a memorable atmosphere, making this event not only a display of talent but also a celebration of school spirit, cultural richness, and joy.

CHILDREN'S DAY CELEBRATION

E.S Lords International School joyfully celebrated Children's Day to honour the happiness, creativity, and innocence of every child. The campus was filled with excitement as teachers organised a variety of fun activities, games, and cultural performances to make the day special for the students. The celebration began with a special assembly remembering Pandit Jawaharlal Nehru, highlighting his love and vision for children.

Teachers presented lively songs, dances, and short skits, bringing smiles and laughter to the students. Various competitions and interactive sessions were conducted to encourage talent, confidence, and teamwork. Students enjoyed the entertaining programs, special treats, and the cheerful atmosphere created just for them. School leaders conveyed heartfelt wishes, reminding students that they are the heart of the institution and the bright future of the nation.

The day concluded with joy and unforgettable moments, making Children's Day truly memorable at E.S Lords International School.

AWARENESS MOVIE PROGRAM

E.S. Lords International School presented a meaningful Children's Day awareness movie that highlighted the importance of kindness, safety, and respect among children. The film featured students portraying real-life situations that taught valuable lessons about friendship, honesty, and personal responsibility. Through simple storytelling and expressive performances, the movie encouraged young viewers to understand their rights, take care of one another, and grow with confidence. The awareness film served as an inspiring reminder that every child is special and deserves a safe, happy, and supportive learning environment.

TRADITIONAL GAME ACTIVITIES

E.S Lords International School celebrated Traditional Games Activities with great excitement to promote culture, teamwork, and healthy play among students. The event aimed to reconnect children with the rich heritage of classic Indian games that have been enjoyed for generations. Students from various grades enthusiastically participated in activities such as kho-kho, kabaddi, pallanguzhi, lagori, gilli-danda, kite flying, and many more.

Teachers explained the history and importance of each game, helping students understand how traditional games encourage physical fitness, strategic thinking, and social bonding. The school grounds were filled with laughter, energy, and friendly competition as students enjoyed the spirit of outdoor play. The event not only provided a refreshing break from routine but also reminded students of the value of cultural roots and community-based games.

The celebration concluded with appreciation from school leaders, who encouraged students to continue exploring traditional sports and preserve this joyful part of our heritage.

ACHIEVERS

Sri SivaShanmuga Priya S (III – A2)

Taekwondo – National Level (Silver, Silver medal)

Punithavathy S (VII – A1)

Taekwondo – National Level (Gold, Silver Medal)

NCC RAISING DAY CELEBRATION

E.S Lords International School celebrated NCC Raising Day with pride and enthusiasm, honouring the rich legacy and contributions of the National Cadet Corps. The event began with a disciplined parade by the school's NCC cadets, showcasing their commitment, teamwork, and training. Students delivered speeches highlighting the history, purpose, and achievements of the NCC, emphasizing how the organisation instills leadership qualities, discipline, and a sense of national responsibility among young citizens.

A special drill demonstration added vibrance to the celebration, reflecting the cadets' hard work and dedication. Teachers and school leaders appreciated the cadets for their active participation and encouraged them to uphold the core values of unity and service. The program concluded with the NCC pledge, reinforcing the spirit of patriotism and duty.

The celebration truly reflected the school's commitment to nurturing disciplined, confident, and responsible future leaders.

ISRO VISIT - ESSAY WRITING

Bangalore trip Experience

Introduction:

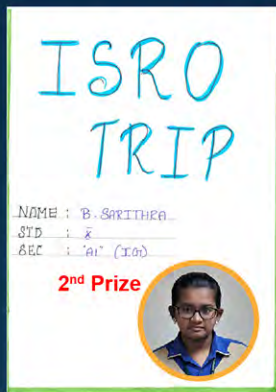

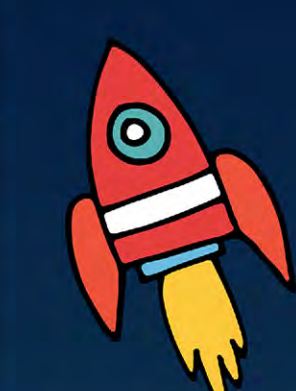

The trip to Bangalore was something different from the usual trip experience. It was a different place surrounded by beautiful mountains and green hills. From this school trip, I learned a lot about the different places and the different people who live there. It was a very interesting experience as I had a lot of fun and learned many things. It was quite difficult to stay away from my parents and my friends.

Towards the start of journey:

It was a beautiful night of 24th September 2023. All students and teachers assembled at the school campus at 5 pm with our luggage. We were excited and nervous. We were instructed by our teachers. It was quite difficult to stay away from my parents and my friends.

No one questioned us when we had our luggage and what to do. We were very happy. We had a good night's sleep. It was about 7 pm when we all gathered in the classroom. Our classmate explained the plan for the trip. We had a good night's sleep. It was about 7 pm when we all gathered in the classroom. Our classmate explained the plan for the trip. Educational Visit to ISRO – ES Lords International School

Dr. P. Veeramuthuvel, renowned **ISRO scientist** and Project Director of the historic Chandrayaan-3 mission, studied in our E.S Group of Institution (Elumalai Polytechnic).

The students of Grade IX and Grade X from E.S Lords International

School had an exciting and inspiring educational visit to ISRO (Indian Space Research Organisation). The trip provided students with a wonderful opportunity to explore the world of space science, satellites, and India's achievements in space technology. During the visit, students observed various exhibits, satellite models, launch vehicle displays, and informative presentations that explained ISRO's missions and contributions to the nation.

An essay writing competition was organized for the students to share their experiences and learnings from the ISRO educational trip. Many students participated with great enthusiasm, expressing their thoughts creatively and confidently. The best essays were selected based on content, presentation, and originality. To encourage and appreciate the students' efforts, the school awarded cash prizes to the top performers. The **1st prize** carried **Rs. 1500**, the **2nd prize** **Rs. 1000**, and the **3rd prize** **Rs. 750**. The competition not only enhanced writing skills but also motivated students to reflect deeply on their scientific learning.

The school thanked ISRO for the valuable exposure and encouraged students to continue nurturing curiosity, innovation, and scientific thinking.

VISIT TO BANGALORE

3rd Prize

Theme Of The Trip

We started our trip at 9:00 am. The trip started with a bus ride. We had a good night's sleep. It was about 7 pm when we all gathered in the classroom. Our classmate explained the plan for the trip.
