This foundation is poised to be a ray of hope for the underprivileged, shining brightly on special occasions.

With unwavering commitment and a heart full of empathy, our Secretary Madam, a true embodiment of benevolence, has taken the initiative to provide clothing and nourishment to those who are less fortunate. It is not merely an opening ceremony; it is the dawn of a new era in our community, where every occasion becomes an opportunity to share, care, and spread love. We are immensely proud to be part of this noble endeavor and look forward to witnessing the positive impact it will undoubtedly bring to the lives of the underprivileged."

GOLU Celebration

The vibrant celebration of Navaratri Golu, a beloved festival in South India, shimmers with the radiance of tradition, faith, and unity. Navaratri, derived from 'Nav' meaning nine and 'Ratri' signifying nights, embodies the spirit of devotion to Goddess Durga, a symbol of color, action, music, and togetherness. Over nine enchanting nights, we revere the nine forms of Shakti or Devi, marking a journey into the realm of divine energy. On the tenth day, celebrated as Dussehra or Vijayadashami, the triumph of good over evil resonates powerfully.

Golu, the centerpiece of this festivity, invokes the presence of Hindu Goddesses within our homes during Navaratri. The artful arrangement of dolls or Bhommai is a source of boundless joy for both young and old. At our school, Navratri was embraced with fervor and enthusiasm, demonstrating our commitment to Indian culture and unity. The ESLIS team orchestrated a magnificent Golu display, featuring seven distinctive steps adorned with idols of Ganesha, Durga, Lakshmi, Saraswathi, Vishnu, Shiva, Dasavathar set, Krishna set, while the lower tiers showcased an array of animals, humans, and inanimate statues.

The celebration also encompassed tributes to freedom fighters and Chettair Bhommai dolls, with daily rituals involving prayers, lamps, and the sweet offerings of Aarti. The entire staff joined in, sharing prasadam, betel leaves, pakku, bangles, bananas, and turmeric kelangu, forging a deeper connection through this festive tapestry of tradition and togetherness.

Vijayadasami

Vijayadashami at ESLIS School was a grand spectacle! With an enchanting ceremony of Vidyarambham, the little ones were ushered into the world of letters, and admissions buzzed with excitement. Mrs. Priya Selvamani, our esteemed Secretary, graced the event with her presence.

The festivities commenced with a radiant lamp-lighting ceremony, led by our Secretary and the Principals of ESLIS and E.S Matric. This luminous start was soon followed by a captivating Bharatanatyam dance performance, setting the stage for an extraordinary day.

But the real magic happened when our Tiny Tots took their very first steps in the world of education. With hearts pounding and tiny fingers gripping pencils, they etched their first alphabets in the paddy plate 'Akshatham.' Laughter and tears of joy filled the air as their journey began, echoing throughout the school.

The ceremony culminated in a shower of blessings from the Priest, parents, and teachers, weaving a heartwarming tapestry of new beginnings and educational dreams.

Cluster Matches:

"Championing excellence and unity, our school's young athletes have spread their wings and soared to remarkable heights in the thrilling CBC (Cluster Battle Challenge) matches. With the adrenaline-pumping energy of intense competition, our students displayed unwavering dedication and skill in various sports.

In the heart of Katpadi, the basketball court witnessed the magic of both our talented boys and girls in the under-19 category. Under the guidance of Mr. Silambarasan, they shot hoops and made their school proud. Meanwhile, the under-19 boys took the football field by storm at Agarma Public School in Dharapuram, where they exhibited sportsmanship and teamwork under the watchful eye of Coach Vijay

The girls showcased their prowess on the badminton court at Kamalam International School in both the under-17 and under-19 categories, with the invaluable coaching of Mr. Silambarasan. At Sun Beam School in Vellore, the athletic prowess of our girls shone brightly, while the boys, in the under-14, under-17, and under-19 categories, sprinted, jumped, and threw their way to glory at Jeppiyar School in Chennai, under the capable guidance of Coaches Vijay and Biju Sabu.

These CBC matches are not just about victories and trophies but also about fostering the spirit of sportsmanship, determination, and unity among our students. With each stride, dribble, and serve, they continue to exemplify the school's commitment to holistic growth and excellence in every field."

Educational Tour for our Grade VI and VII children

"Embarking on a journey of knowledge and adventure, our school recently orchestrated a splendid educational tour that left an indelible mark on young minds. As Grade VI students ventured to the enchanting Vandaloor Zoo, they were transported to a world teeming with biodiversity. The rustling leaves, chirping birds, and majestic animals instilled a profound appreciation for nature's wonders. The colorful plumage of parrots, the regal stride of lions, and the gentle grace of deer enthralled our budding naturalists, sparking a passion for wildlife preservation.

Meanwhile, Grade VII students embarked on a cosmic odyssey to the Birla Planetarium and a voyage through history at the Government Museum. With their heads in the stars, they marveled at the mysteries of the universe, expanding their understanding of our celestial neighbors. In the museum's halls, ancient artifacts and historical relics unveiled the rich tapestry of human civilization.

These educational sojourns were more than just field trips; they were a gateway to curiosity and enlightenment. The children returned, not just with memories but with a newfound thirst for knowledge, eager to explore the world and the cosmos, thanks to our school's commitment to holistic education."

RHYMES COMPETITION

Rhymes aren't just playful words; they're the magical rhythm of language for our little ones. It's a delightful journey of voice modulation, expressions, confidence, and actions. To keep our kindergarten kids happy and cheerful, a Rhyme Recitation Competition was organized as part of a Saturday activity on October 28, 2023.

Our young talents came prepared with an array of rhymes, each with its unique theme. From animals to stars, they recited with boundless enthusiasm, filling the air with melodious voices. The criteria for judging were simple: Audibility, Clarity, Confidence, and Expressions. And oh, did they shine!

Each child showcased their confidence and talent, adding their special touch to the rhymes they held dear. It was a day filled with laughter, learning, and applause, as our little stars took center stage and enjoyed every moment of it."

SHADOW BY THE SIDE

Wailing and sobbing on the day you passed away,
you left me hopeless and made me mourn.
Why didn't you feel wistful for leaving me all alone?

I touched your cold feet to sign a goodbye.
Did you feel my quivering hands?
My tears dribbled on the floor full of petals.
Did you see me weep with grief?

You pampered me more than anyone,
Showered your love and concern.
Why? Just to depart without any notice?
You made me regret the few times I put you down

Yet I cherished every second I was with you.
I know that you are far far away
But you left your shadow by my side.
